Parents, if brand names are listed, teachers are asking that you please purchase the specific brands. Often the off-brand supplies of certain items do not work well and are not durable for an entire year of first grade. The children need durable supplies in the classroom. Thank you for your help regarding this matter! Most of these supplies can be found at Walmart or a similar store – many have reduced prices before school starts (example...Crayola crayons for \$.50 or less per box and Crayola markers for \$1.00). The plastic ‘Mead Five Star’ folder can be found at Walmart and Office Depot.
